# ÖHLINS CUSTOM 43 USD BLACKLINE FRONT FORK

**PART NO:** FF 521

You should never have to compromise great quality over beautiful design. The premium Custom 43 USD front fork is now available as a Blackline By Öhlins edition. Experience the NIX-technology as you cruise your way towards your new adventure. With the possibility to adjust spring preload, you'll be in full control over your ride.

The Custom 43 USD front fork is universal and fits a variety of models. Café racers, scramblers, custom art or just a beautiful fork for your standard bike? Looking good is a luxury you deserve.
