TTX18 CARTRIDGE KIT

You want World Champion winning performance in your current fork? No problem with our Öhlins DH drop-in TTX18 cartridge kit available for RockShox BoXXer and FOX 40 Downhill forks.

The Öhlins TTX18 cartridge kit features a downhill-optimized 18 mm piston for improved small bump sensitivity. Increased damping pressure bandwidth to achieve improvements in damping valve response and sensitivity.

The adjustment range specifically for gravity use both race and park. 15 clicks of low speed compression and low speed rebound and 5 clicks of high-speed compression.

Please note: Does not fit the 2019 RockShox BoXXer 27,5 and 29 B3 version.

FEATURES

- > TTX-technology
- > 160-200 mm travel
- > 15 click low-speed compression and rebound damping adjustment
- > 5 click high-speed compression damping adjustment
- > Servicable and rebuildable
- > 2 year warranty
