■ Single make racing has a strong tradition in Czech Republic, especially when it comes to Škoda Octavia Cup. Some of you may remember the legendary “Česká pojišťovna Škoda Octavia Cup” which started in 1997 and became huge phenomenon for almost 13 years. During those years more than 120 drivers took part. For some of them Octavia Cup was an important first step to kickstart their careers.

■ **A few names which come to mind are:** Jan Kopecký, Adam Lacko, Petr Fulín, Štefan Rosina, Jiří Janák and Erik Janiš. On top of that a number of young talented foreign drivers also participated.
