PRODUCT NEWS

ALPINE A110

PART NO: RES GT00 • **CHASSIS CODE:** A110

Öhlins range of Advanced Trackday & Motorsport featuring our twin-tube shock absorber design is the best choice for trackday aficionados seeking the ultimate performance.

The lightweight and quick Alpine A110 offers agile handling already as a standard car. Equipped with the specific designed and tested Öhlins suspension based on our well-proven twin-tube dampers, the Alpine gains from even better stability and precision handling to racetrack levels.

Separate adjustable in compression and rebound damping the suspension set offers many possibilities to find the perfect setup to suit the drivers individual needs.
