

Winter Campaign for Öhlins Coil Over Suspension

Öhlins DTC, 30.11.2018

Get your Öhlins Road & Track now and save 15%

The Road & Track product line is the latest step in the Öhlins Racing automotive development and takes the best of Öhlins competition know-how into a package for discerning and sporty drivers who loves track days but still spend most of their time on the road. The Öhlins Road & Track coil over suspension features the patented Dual-Flow-Valve (DFV) for maximized grip on track and a high level of comfort on the road.

From 01.12.2018 until 31.12.2018, Öhlins DTC offers products from the Road & Track product line with a **15% discount on the recommended retail price** incl. VAT. Items can be purchased through the network of Authorized Dealers and Service Centers as well as directly through the official Öhlins online shop www.ohlins.eu.

This special campaign includes all listed Road & Track coil over kits including springs and top mounts as well. Cancellation Kits are NOT included into this campaign.

Due to our closing time between Christmas and New Year, it is possible that order placed later than 19.12.2018 will be proceeded January 2019. Please place your order in time to receive your Öhlins Road & Track coil over kit before holidays.

If you have any questions please do not hesitate to ask.
