Note!

Please note that there can be small differences between your product and the images in these instructions.

Note!

Please note that during storage and transport, especially at high ambient temperature, some of the oil and grease used for assembly may leak and stain the packaging. This will not cause damage to the product, wipe off the excessive oil or grease with a cloth.

Note!

Before you install this product, check the kit contents. If anything is missing, please contact an Öhlins dealer.

Warning!

Before you install this product, read the Öhlins Owner's manual. This product is an important part of the vehicle and the vehicle stability.

35020-18

Mounting Instructions

MOUNTING INSTRUCTIONS

⚠ Warning!

We strongly recommend to let an Öhlins dealer install this product.

⚠ Warning!

If you work with a lifted vehicle, make sure that it is safely supported to prevent it from tipping over.

👁 Note!

When you work with this product, see the vehicle service manual for vehicle specific procedures and important data.

👁 Note!

Before you install this product clean the vehicle.

Front axle

1

Fix the adhesive tapes on the electronic component.

👁 Note!

Surface must be cleaned and degreased.

2

Connect the standard damper control wire into the electronic component until it locks. Fix the wire with cable ties.

3

Fix the canceller with supplied adhesive tape on the vehicle chassis.

4

Fix the wires with cable ties on the chassis.

👁 Note!

Surface must be cleaned and degreased.

MOUNTING INSTRUCTIONS

Rear axle

1

Connect the standard damper control wire into the electronic component until it locks. Fix the wire with cable ties.

2

Fix the canceller with supplied adhesive tape on the vehicle chassis.

3

Fix the wires with cable ties on the chassis.

Note!

Surface must be cleaned and degreased.

Öhlins products are subject to continuous improvement and development, therefore, although these instructions include the most up-to-date information available at the time of printing, minor updates may occur.

To find the latest information contact an Öhlins distributor. Please contact Öhlins if you have any questions regarding the contents in this document.
