

Öhlins Automotive Accessories

Adjustable Uniball Top Mounts MINI Cooper (R5x) G61058-01

For some of our Road & Track coil over suspensions sets we offer unibal top mounts as an additional option. These aluminum top mounts are produced to the same high quality standards as all of our products and offer camber adjustment.

Unibal aluminum top mount with adjustable camber for use with the Öhlins Road & Track coil over suspension kit [BMS MI20](#).

Technical Features:

- Unibal Aluminum top mounts with adjustable camber
- Aluminum alloy of the main board for light weight
- Other components made of galvanized steel
- Can be adjusted when installed by using simple hand tools
- Camber varies depending on the ride height

Mounting:

- Front axle left and right

Purchased parts package:

- 2 Unibal top mounts
