

Öhlins Road & Track Coilover Suspension Nissan 370Z (NIS GQ00)

A more than 40 year long tradition of high-end racing commitments and state-of-the-art solutions within advanced suspension technology is now available for street cars all over the world. The focus has been clear from the very beginning – superior road handling without sacrificing comfort in your day-to-day transports. The time of compromises is over. All shocks have suffered through vast corrosion tests according to ISO 9227. The end result is a worldwide 2-year limited warranty on all of our products.

General Features:

- DFV technology (Dual Flow Valve)
- Height adjustable
- Rebuildable
- Corrosion salt spray tested (ISO 9227)
- 2 year warranty

Features Front:

- Conventional shock absorber
