

# Öhlins Professional Motorsport Products ORQ 16/46

The ORQ-series off-road dampers has been a success in all kinds of Rally Raid events.

The ORQ 16/46 was first out designed with Off-Road and Rally Raid cars in minds as well as similar kinds of vehicles where this layout is suitable.

It has a swiveling hose for increased flow potential and ease of mounting on the vehicle. The dampers are of a 46 mm piston type with remote reservoirs. They have compression and rebound adjusters together with the PDS, Progressive Damping System. The dampers come with a protecting sleeve and two circlips to help prevent spring wear.

Fits the following vehicles

[Universal Universal, year –](#)

Without TUEV certificate (Germany)

Part number

ORQ 16/46
